

.....
I Wanna Be Your Dog
.....

by The Stooges
as recorded by Uncle Tupelo

The main part of the song is just a G, which walks down the low E string to an Em. I have a habit of using Em7 a lot, and so I can't remember if the actual song has that in there or if I'm just used to it sounding that way when I play it, but anyway, it sounds pretty good.

These are the chords:

	G	G/F#	Em
e	-----3-----3-----0-----		
b	-----3-----3-----3-----		
g	-----0-----0-----0-----		
d	-----0-----0-----2-----		
a	-----2-----0-----2-----		
e	---0---2---3---3---2---2---0---0-----		

G	G/F#	Em	G	G/F#	Em
So	messed up		I	want you	here

G	G/F#	Em	G	G/F#	Em
In	my room		I	want you	near

G	G/F#	Em	G	G/F#	Em
Now	I wanna		be	face	to face

G	G/F#	Em	G	G/F#	Em
I	lay	right down	in	my	favorite place

G	G/F#	Em
Now	I wanna	be your dog

G	G/F#	Em
Now	I wanna	be your dog

G	G/F#	Em
Now	I wanna	be your dog

G	Em	D	C
G	Em	D	C (hold C for an extra measure)
			Well come on

(back to beginning)

Now I'm ready to close my eyes
Now I'm ready to close my mind
Now I'm ready to take your hand (Now I wanna feel your hand)
I lose my heart on the burning sand

Now I wanna be your dog
Now I Wanna be your dog
Now I wanna be your dog
Well come on

(end)

And that's it. I hope somebody gained something from this. :)
